### TRADING POST

Campers may have a Trading Post account created and all purchases will be made through this account. Campers do not need cash at camp. The Trading Post is open for cash/credit card sales during Check-In and Check-Out only. We recommend a minimum of \$40 for a one week session be deposited into each camper's account. Deposits may be cash, credit card, or check payable to camp. Deposits should be made at least four weeks prior to the camper's arrival at camp. This will allow for a speedy check-in. However, deposits can be made on check-in day.

*In order expedite pick-up on Check-Out day, I would like any remaining Trading Post balance to be*  *donated to the "Strong Kids" campership fund*  *refunded.*  
 I will pick it up during Check-out after I pick-up my camper.

**DEPOSIT:** A \$50 deposit per session is required. Non refundable deposit is applied to the total camp fees. The balance is due 30 days prior to the start of the session. If registering within 30 days, the balance of the fees is due at the time of registration. ***If paying deposit by credit card, balance of fees due will be charged to that credit card 30 days prior to a session's start date, unless notified by the cardholder.***

**Payment & Refund Policy:** I certify that my child is capable of such an experience. I understand the deposit fee is not refundable or transferable. I agree to pay the balance of the fees 30 days before the camp session begins (knowing that failure to do so may automatically cancel this registration.) I understand that no refunds are given if a child leaves early because of homesickness or disruptive behavior as determined by the Camp Director. If acceptable, I authorize the YMCA to charge my credit card as indicated above.
