THINGS TO LEAVE HOME

Camp is a natural setting to get more in touch with people. **Radios, electronic games, cellular phones, beepers, and personal stereos** detract from this type of setting. Please leave these at home. In addition, please leave **junk food, firearms, fireworks, matches, lighters, knives, tobacco products, expensive items, drugs, and money** at home. Please leave aerosol repellent at home as well. Insect repellent should be in the form of lotion, pump spray, or wipes.
