

OPERATION FLAT ROCK

at Flat Rock River YMCA Camp

July 5-10, 2026 Ages 7-15

SUPPORTING OUR MILITARY FAMILIES

Operation Flat Rock offers one week of overnight summer camp exclusively for military family kids because kids serve too! It is our desire to be a part of a supportive village for these families in thanks for their service.

Operation Flat Rock is open to ALL branches of service, including Guard and Reserves, active or veteran status.

In Indiana, the benefits of on-base military life and community does not exist. At school, kids are often the only student in their class in a military family. Frequent moves, deployments or coping with the anxiety when a parent is struggling with PTSD is more difficult without peers who understand.

OPERATION FLAT ROCK FILLS THAT GAP!

Unplugged from screens and worries, campers can bond with other active duty or veteran military kids who understand military family life.

Camp is nonstop adventure - ziplines, river floats, campfires, uplifting friendships, laughter and so much more. Operation Flat Rock is identical to our Traditional summer camp sessions. We encourage parents to browse through our Parent Info page for lots of details like activities offered, packing lists, medical care etc.

COST & FUNDING

We are proud to offer Operation Flat Rock to all military families at a subsidized rate, made possible through Y-USA grant funding and donations to the Flat Rock Annual Campaign.

Additionally, these generous donations allow us to provide a 3 rate pricing structure based on an honor system whereby each family chooses the rate they are able to pay.

RATE A: \$350* | RATE B: \$250* | RATE C: \$150*

*The actual cost of a week at Flat Rock is \$960.

PARENT INFO

REGISTER

Up to 84% of fees for Operation Flat Rock are provided by donations to our Annual Campaign.

A COUPLE FAQs

What is the OFR program like? Is it military style?

While OFR is dedicated to military families, we do not run in military style. We do have a handful of special activities like our Honor Wall for campers to put up photos of their military parent(s) with messages they want to share. This week is just like our Traditional Camp with the added benefit of sharing the common ground unique to military families.

Campers this week can just be kids and know they have a supportive environment and can bond with others who understand military family life. Activities and conversations with military flavor are kept to a minimum.

If an extended family member is a veteran or actively serving can my child attend?

Operation Flat Rock is reserved for kids with a parent who is a veteran or is currently serving.

WAYS YOU CAN HELP

Tell a military family about Operation Flat Rock.

Help sponsor Operation Flat Rock by making a gift today!

Invite other individuals or businesses to help sponsor Operation Flat Rock.
